

Model: SAM-SBS-31
Bread Slicing**Application:**

It slicing the bread

Introduction

Model number: SBS-31

Voltage: 220V

Power: 370W

Slice each time: 31

thickness:12mm

**Model: SAM-SBDR**
Dough Divider Rounder (spiral)**Application**

It divides the dough in equal parts. and make a ball shape (round)

Introduction

Motor power: 2.2KW

Voltage / frequency: 220V/50HZ

Production efficiency: 350kg/h

Dimensions: 1350 x 430 x 93D

Weight: 180kg

Capacity: 4200pes/h
